Re: United States of America v. Jason Lebron
5:18-CR-353

Your Honor:

I write as counsel for Jason Lebron, the defendant in the above-referenced matter, to request for a brief furlough so that Mr. Lebron may attend the calling hours and/or funeral service honoring the life of his mother.

Jason Lebron's mother, Gwen Lawson, passed away on Tuesday, June 11, 2019. The family will hold calling hours at Dewitt Memorial Funeral Home from 11:00 a.m. until 12:30 p.m. on Tuesday, June 18, 2019 with a funeral service immediately following, from 12:30 p.m. until 2:00 p.m. Dewitt Memorial Funeral Home is located at 4612 South Salina Street in Syracuse, NY 13205.

Mr. Lebron is currently detained at the Onondaga County Justice Center in Syracuse, New York. Although he is in federal custody and was previously detained in the Broome County Jail, he has a pending matter in Onondaga County Court and the presiding judge, the Honorable Stephen Dougherty, has asked the deputies of the Onondaga County Justice Center to detain Mr. Lebron locally. This arrangement was made to accommodate the need for frequent appearances in in Onondaga County Court, the next appearance being scheduled for June 27, 2019. I have spoken with the deputies in charge of administrative operations at the Onondaga County Justice Center and have been advised that they would honor any request by the United States Marshal's Office to remove, and subsequently return, Mr. Lebron to the facility.

In making this request, Mr. Lebron would appreciate any form of restriction that this Court deems appropriate, from a GPS monitor or a Marshal escort to the services.

Thank you for your consideration.

Respectfully,
